

Stephanie & Robert

Stephanie Kwok, 34, and Robert Monckton, 33, tied the knot in an elegant celebration. She tells us:

The celebration was intimate and personal. We made sure we had time to mingle with close friends and family.

Good times. The solemnisation ceremony was particularly memorable for me. I was feeling very nervous and emotional, and could barely contain my excitement, elation and anxiety.

Seek good helpers I loved our wedding and enjoyed every bit of it, but I wasn't crazy about the prep work. I am glad I had some great helpers like Kim (my wedding planner), Grace (my florist), and my husband!

Unique favours We opted for a donation favour card. As dog lovers we felt the best favour would be a gift to help our four-legged friends. We also wanted to create more awareness about abandoned strays and encourage others to adopt a pet.

Relax and enjoy the day! That's the advice I was given and I really enjoyed myself. Everything will come together one way or another. **HWB**

1&4 The flower girls and page boy wore colours that complemented the bouquets. **2** The couple's wedding attire was simple and modern – which reflected their personalities. **3** Sweet treats of Jelly Hearts and Jelly Bellies lined the dessert table. →

WEDDING ALBUMS

A full-page photograph of a bride and groom in wedding attire. The bride is wearing a white strapless gown with a blue sash and a pearl necklace. The groom is in a dark suit. They are looking at each other and smiling. In the foreground, two dogs are sitting on a stone surface. One is a tan dog with a blue bowtie, and the other is a white dog with a purple collar and a blue bowtie. The background is a blurred outdoor setting with stone steps and columns.

*“When I first saw Rob,
I felt a sense of joy, pride
and contentment.
He also got me to relax
a little by making
me laugh.”*
